

# WAUWATOSA EAST RED RAIDER BANDS

Jen Lato, Director  
7500 Milwaukee Ave.  
Wauwatosa, WI 53213

Red Raider Boosters  
Chris Hantzsch President

Thank you for your consideration in becoming a partnering sponsor of the Wauwatosa East High School band program. Your support is a vital leg that completes the efforts of the band parents and alumni volunteers in their fundraising for and maintenance of the marching and concert performance groups.

Our volunteers currently contribute to the cause through various fundraising activities. Annually, the boosters staff the Hart Park concessions for the H.S. Football season and a concession booth at Miller Park. They organize and participate in several restaurant event nights as well as having a fall fruit sale. Additionally the boosters contribute their time to ensure the safety and appearance of the band by chaperoning them at all performances.

Your monies will be used to cover the costs associated with many things. Some of which include:

- Fees for marching band competitions.
- Transportation for all Red Raider Performances
- Compensation to outside music clinicians.
- Tuition assistance to students participating in outside music and leadership camps.

Our program, which as of 2017 numbers approximately 140 students, provides many opportunities for personal growth and community involvement. Leadership, team building, self confidence, travel experience and citizenship are several of the benefits realized along with musicianship.

Because of the program's efforts, the band has been privileged to march in several national and international parades. Most recently they marched in the Cherry Blossom Festival parade in Washington DC. In 2015 they led the New Year's Day Parade in Vatican Square in Rome, Italy and we have just accepted an invitation to participate in the 2019 St. Patrick's Day Parade in Ireland.

Locally, the band is a mainstay of both the Wauwatosa Fourth of July and Milwaukee Holiday parades. Other local appearances have included the EFW Run/Walk at the Zoo and the 2016 Aids Walk of Wisconsin.

Musically the band has been fortunate to be exposed to many guest instructors and mentors. Professor Ron Carter of the NIU music program, the UW LaCrosse Jazz program and most recently, Grammy award winner Brian Lynch have been influencing our students.

As you can see, a lot goes into making this program the valuable community asset that it is. With our groups, we are out in the community, reaching far beyond the local school population. This wider audience and exposure is an excellent way to not only benefit the program but a way to enhance your standing and esteem with the community at large.

Please help us continue and grow the program as we work to positively impact our kids and future leaders.

Make your commitment today. Checks may be payable to RRBB. We are a 501c3 non-profit.

Thank you,

Chris Hantzsch  
President, Red Raider Band Boosters
