Once checked in:

- **Volunteers will proceed to assigned stand & check-in with stand manager.**
- **Checklist of set-up duties for that stand will be completed.**
- **Stand assignments will be finalized based on first preference and stand needs.** *Every effort will be made to match your assignment with your preference and comfort level. Register, runner, grill, etc.*
- **Stand manager will go over menu items and serving procedures.** *This will be reviewed and retrained at every game that you volunteer. It can be mastered in 5 minutes; do not be concerned.*
- **Refresher on cash register and review of coupons, etc..** *Again, this will be reviewed and retrained at every game that you volunteer. Most items are common-sense and easy to remember. Tom will be available to answer or fix any issues.*
- **Gates open 90 minutes prior to game time.** *We will work as a team to serve and stock. We are on our feet most of the time but time goes quickly when we are busy.*
- **Breaks will be rotated as often as possible.** *You may have soda throughout the event and a sandwich or pretzel. Please let me know if you need to bring any special foods as I must inform Miller Park Management when I confirm the Worker List.*
- **Alcohol is served until the last out of the 7th inning.** *We will start to close registers, clean and stock stand so that we are out quickly after the game.*
- **At the end of the game, the stand is closed and we help count, clean and stock.** *This goes quickly especially when we have a full crew and are assigned a Field Level stand. We will have a dedicated Miller Park Stand Manager who will enter all items.*
- **The Stand Manager releases the crew when the stand is cleaned and stocked.** *This takes about 30-45 minutes. Tom will stay to finish the cash report.*
- **It takes about 10-15 minutes to walk to your car and about the same to drive home.** *We all live within 3-4 miles of Miller Park while other groups have to travel up to 90 minutes.*
