### **Treasurer Report: Shari Young**

- Income/Expense report was presented to board.
- Request to the Board to think about any band parents they know who a good candidate might be to step into the Treasurer Board position next year. It's good if that person will be around for a few years since it's a position you don't want to change too frequently. Does not need to be an accountant but attention to detail and commitment to timely processing of band business is needed.
