Treasurer's Report

Shari submitted her typed treasurer's report and budget report, 2017-2018. Discussion of how best to use surplus funds on agenda for later in meeting. Budget. Sharone will contact Pizzeria Piccola to firm up the time frame. Date is May 13th.

Projects Coordinator

Tom posted on Facebook. Jen will send out the tweet about Miller Park Training. February 26 is the big training date at East. Twelve dates, one is opening day, one on a weekend. Volunteers need only to commit to two dates. 18 year old students can volunteer. Possibly Oct 23rd for Ed Sheeran. Hart Park Torrent now has a women's team and there are six games to work and they are all wrapped up by July 10. Need 4-5 people per game.

Tom has to rebuild the email after the gmail problem so that we reach out to the students and families. Jen Lato will tweet and send out a separate newsletter with Tom's Miller Park dates.

Hart Park contract is renewed. Will confirm symposium confirmation dates: September 13 and October 11.

Director's Report

Clinicians for Solo and Ensemble and Solo and Ensemble are paid. We need to coordinate volunteers for All City Bandfest. April 11. Morning shift to set up chairs and zip tie them. Also need volunteers for Solo and Ensemble. There is a sign-up genius page already active. Band Banquet is May 14, 6pm. Kim Rinzel will contact vendors. Water is probably already in house. The band directors's Wish list for band program needs was presented in order of priority. Brent made a motion and Tom seconded the purchase for the first thing on the list: banner frame. After that, the other items combined will require vote of the membership, - perhaps a vote at the concert for bigger ticket items or larger purchase. We could feasibly afford all on the list this year with the exception of raincoats. The raincoats could be put off, fundraised for, or perhaps the district will pay for those as they have done so for the uniforms. Brent to communicate to membership and arrange a vote at the spring concert.

Jeff Krubsack reported that the Italian music clinic involves a language barrier but has been arranged to be two 2-hour sessions, one with symphonic band and the other with wind ensemble given by the Professor/Conductor on April 19.

Jeff also told us about the February 23 afternoon of masterclasses. Ten clinicians are donating their time and Band Boosters would like to offer \$300 towards a thank you of perhaps Cranky Al's donuts or sweets and/or gift card for food. Directors can decide what they would like to do.

Meeting adjourned at 7:48

Minutes respectfully submitted by Sharone Conteh-Morgan
